Louise Pentland, Senior Vice President & Chief Legal Officer

### Biography

Louise joined Nokia in 1998 and currently serves as Senior Vice President and Chief Legal Officer, responsible for managing the in-house legal and intellectual property functions for Nokia Corporation on a global basis. Louise previously served as the North America General Counsel and Vice President of IPR Legal while also serving as the acting Legal Officer of Nokia Corporation from Sept 2007. In her current roles she is closely involved in policy matters concerning intellectual property and the changing legal environment. Louise has an extensive background in the high tech industry and the intellectual property regimes in the related industries.
